General Admission Guidelines for CFANS:

- Successful applicants will have College Algebra (or higher) completed or in progress to be completed prior to enrolling at the U of M. This must be completed with a C- or higher.
- Priority admission consideration is given to applicants who intend to graduate from CFANS.
- Most successful applicants will have a strong foundation in math and science.
- For transfer applicants with fewer than 26 college credits complete, applications are reviewed using both college academics and the following:
  - Successful completion of the high school course requirement.
  - High school rank percentile (students from non-ranking schools and those with GED or other high school equivalency are given full consideration).
  - ACT or SAT scores.
  - Rigor of the high school curriculum.

Major-Specific Admission Guidelines:

NOTE: Detailed course transfer information for every CFANS major begins on page 2 below.

Animal Science Pre-Vet

- Successful applicants to the Pre-Vet emphasis will have a cumulative GPA of 3.0 or higher and must have completed the following courses with a grade of B or higher:
  - College Algebra
  - One semester of Intro Chemistry with lab (Equivalent CHEM 1015/1017) or General Chemistry (Equivalent CHEM 1061/1065), prefer General Chemistry
  - One semester of General Biology with lab (Equivalent to BIOL 1009)

Applied Economics

- Applicants must have either microeconomics or macroeconomics completed with a B- or better before enrolling at the U of M

Agricultural and Food Business Management

- Applicants must have either microeconomics or macroeconomics completed with a B- or better before enrolling at the U of M.
- Most successful applicants will have a cumulative GPA of 2.8 or higher

Food Science

- Successful applicants must have completed the following courses with a grade of C- or better:
  - One semester of General Chemistry with lab (Equivalent CHEM 1061/1065)
  - One semester of General Biology with lab (Equivalent to BIOL 1009)
- Preferred cumulative GPA of 2.8 or higher

Nutrition

- Successful applicants must have completed the following courses with a grade of C or better:
  - One semester of General Chemistry with lab (Equivalent CHEM 1061/1065)
  - One semester of General Biology with lab (Equivalent to BIOL 1009)
- Preferred cumulative GPA of 2.8 or higher
## Major: Agricultural Education
